Companies and organizations can come in as a sponsor or a vendor.

## 2024 MAJOR LEAGUE PAINTBALL NXL VENDOR AGREEMENT

Sponsors commit to the full season with a contract, pay installments throughout the year, and receive marketing perks depending on their level. While the cost of rental items is not included in the sponsorship fees, MLPB will be happy to assist with renting any requested items. The sponsor will be financially responsible for the rented items. Vendor policies may differ from Sponsor policies.

Companies and organizations may also opt to pick and choose their booth size and which events to attend by just coming on as a vendor with trade show space. Their cost includes a set number of tables and chairs with a tent, as well as options to pay extra for other items such as power. MLPB will be happy to assist with renting any additional items, but the vendor will be financially responsible for such items. There are no marketing perks for vendors, but they will receive parking passes. Vendors may not put any signage, merchandise, displays or otherwise outside of their booth footprint. Signage attached to vendor tents/inside their footprint is fine.

Only paint from a 2024 MLPB US Platinum Paint Sponsor may be used, sold, or distributed at a 2024 MLPB US Event. **Platinum Sponsors** who do not have the paint option may advertise that they have a paint brand but may not mislead people into thinking it can be used, picked up, or purchased at our events.

ONLY Platinum Sponsors can put signage in front of their booth. Platinum Sponsors can put one 3ft x 5ft (1x1.5m) signage out in the walkway such as to advertise a sale, promotion, or signing. Product displays, etc. are not allowed. Signage attached to vendor tents/inside their footprint is fine.

Subletting booth space is not allowed.

## Trade Show Terms and Conditions:

### 1. You are renting space from MLPB

You are responsible for what happens inside that space. You have no rights to utilize the space outside of your lot. There will be parking for your vehicle in the parking lot, not at your booth, unless it is inside your rented space and a part of your set up/display. MLPB must be notified in writing should you need power, extra chairs, tables, etc. not later than 14 days before the event. We do not carry a large extra supply of these goods at the events.

You will not have space behind your compound, so be sure to factor that in when selecting your lot size. If you were planning on having a pod or storage container shipped to the event for example, you must rent a lot size large enough to contain that pod. Specific locations such as "corner spots" are not given out.

### 2. Move-In / Move-out

Trucks can start arriving on the Monday before the event and need to be offsite by the Monday post-event. Vendors setting up their own tents must have the tent up by 11 AM on team check-in day (the day before play). No construction of stands will be allowed after this time. All tents that MLPB supplies will be ready by two days prior to game play.

No stand may close or start to break down before the event has officially closed on Sunday afternoon or evening and the public has left, and not dismantled until the end of the event on Sunday (around 5 pm). Failure to adhere to these times will result in a penalty charge being levied and the possibility of not being able to set up at the event at all.

**No trade stand will be allowed to set up unless all monies or sponsorship payments have been paid in full.**

## 2024 MAJOR LEAGUE PAINTBALL NXL VENDOR AGREEMENT

MLPB accepts no responsibility for items delivered to a venue, or any damage caused by weather or loss by theft. MLPB will only unload products with the strict understanding that we accept no responsibility for damage of any kind.

All shipments must be picked up by the Monday following an event. In such an event MLPB cannot be held liable for any losses incurred and no refund of any kind will be given.
